

K-LOVE has been a blessing to me since I discovered the station one year ago. It is so nice to play it in my car while driving non-believing colleagues to meetings and functions. Even if they are only in the car for a few minutes...a seed has been planted. Also, K-LOVE has had a huge part in my attitude change regarding everyday things. Just having the music on all of the time helps me keep focused on Jesus.

K-LOVE is a station that is packed with Christian messages in song, humor, short messages on family, marriage, finances...etc. I, personally, would be upset if K-LOVE's format were to change. My personal walk with the Lord has improved greatly since I began listening to the station!

K-LOVE is a radio station that offers hope to the community. It tells people that there is more to life than this. There are so many people who have found joy in this station because of what it offers. The hope of eternal life found only in Jesus Christ is shared daily to many, many people. Why would anyone want to change that? Souls are being saved because of the message of K-LOVE.

K-LOVE provides information on homeless shelters, counseling, feeding programs, family raising, teen living, parenting...and so much more. This station has a huge impact on our community. There is not another station that offers these services to everyone year round. K-LOVE is a community loving station...the radio station staff cares about the lost in our community.

Please don't change K-LOVE.
